As you pass the towering rock formations, cascading waterfalls and ancient columns carved into the side of Kallisto, you know you're in for a sensory & dining experience like no other. Our terraced, full service restaurant evokes a sense of nostalgia for remnants of past cultures, with nods to the paleolithic, Roman and Egyptian eras.

In addition to indoor dining rooms, you will find outdoor seating areas, rustic coffee shop, and Baked Shop rooftop Lounges-all offering a spectacular view of Bahira Town's sprawling hill suburbia.

Featuring a mix of Western, Traditional and Asian fare, Kallisto's elegant menu aims at satisfying every kind of craving. Choose from a wide array of dishes and peruse our drinks menu to make your time spent in this mythical space even more sublime.
